

## Federal Communications Commission

## § 1.1115

(c) Applicants, permittees or licensees of noncommercial educational broadcast stations in the FM or TV services, as well as AM applicants, permittees or licensees who certify that the station will operate or does operate in accordance with § 73.503 of the rules.

(d) Applicants, permittees, or licensees qualifying under paragraph (c) of this section requesting Commission authorization in any other mass media radio service (except the international broadcast (HF) service) private radio service, or common carrier radio communications service otherwise requiring a fee, if the radio service is used in conjunction with the noncommercial educational broadcast station on a noncommercial educational basis.

(e) Other applicants, permittees, or licensees providing, or proposing to provide, a noncommercial educational or instructional service, but not qualifying under paragraph (c) of this section, may be exempt from filing fees, or be entitled to a refund, in the following circumstances.

(1) An applicant is exempt from filing fees if it is an organization that, like the Public Broadcasting Service or National Public Radio, receives funding directly or indirectly through the Public Broadcasting Fund, 47 U.S.C. 396(k), distributed by the Corporation for Public Broadcasting, where the authorization requested will be used in conjunction with the organization on a noncommercial educational basis;

(2) An applicant for a translator or low power television station that proposes a noncommercial educational service will be entitled to a refund of fees paid for the filing of the application when, after grant, it provides proof that it has received funding for the construction of the station through the National Telecommunications and Information Administration (NTIA) or other showings as required by the Commission.

(3) An applicant that has qualified for a fee refund under paragraph (e)(2) of this section and continues to operate as a noncommercial education station is exempt from fees for broadcast auxiliary stations (subparts D, E, and F of part 74) or stations in the private radio or common carrier services where such authorization is to be used in conjunc-

tion with the noncommercial educational translator or low power station.

(4) An applicant that is the licensee of an instructional television fixed station (§ 74.901 *et seq.*) is exempt from filing fees where the authorization requested will be used by the applicant in conjunction with the provision of the instructional service.

(f) Applicants, permittees or licensees who qualify as governmental entities. For purposes of this exemption a governmental entity is defined as any state, possession, city, county, town, village, municipal corporation or similar political organization or subpart thereof controlled by publicly elected or duly appointed public officials exercising sovereign direction and control over their respective communities or programs.

(g) Applications for Restricted Radiotelephone Operator Permits where the applicant intends to use the permit solely in conjunction with duties performed at radio facilities qualifying for fee exemption under paragraphs (c), (d), or (e) of this section.

NOTE: Applicants claiming exemptions under the terms of this subpart must certify as to their eligibility for the exemption through a cover letter accompanying the application or filing. This certification is not required if the applicable FCC Form requests the information justifying the exemption.

### § 1.1115 Adjustments to charges.

(a) The Schedule of Charges established by Sections 1.1102 through 1.1107 of this subpart shall be adjusted by the Commission on October 1, 1999 and every two years thereafter.

(1) The fees will be adjusted by the Commission to reflect the percentage change in the Consumer Price Index for all Urban Consumers (CPI-U) from the date of enactment of the authorizing legislation (December 19, 1989) to the date of adjustment, and every two years thereafter, to reflect the percentage change in the CPI-U in the period between the enactment date and the adjustment date.

(2) Adjustments based upon the percentage change in the CPI-U will be applied against the base fees as enacted or amended by Congress. Adjustments will not be calculated by using the previously adjusted fee as the base.

(b) Increases or decreases in charges will apply to all categories of fees covered by this subpart. Individual fees will not be adjusted until the increase or decrease, as determined by the net change in the CPI-U since the date of enactment of the authorizing legislation, amounts to at least \$5 in the case of fees under \$100, or 5% or more in the case of fees of \$100 or greater. All fees will be adjusted upward to the next \$5 increment.

(c) Adjustments to fees made pursuant to these procedures will not be subject to notice and comment rulemakings, nor will these decisions be subject to petitions for reconsideration under § 1.429 of the rules. Requests for modifications will be limited to correction of arithmetical errors made during an adjustment cycle.

**§ 1.1116 Penalty for late or insufficient payments.**

(a) Filings subject to fees and accompanied by defective fee submissions will be dismissed under § 1.1108(b) of this subpart where the defect is discovered by the Commission's staff within 30 calendar days from the receipt of the application or filing by the Commission.

(1) A defective fee may be corrected by resubmitting the application or other filing, together with the entire correct fee.

(2) For purposes of determining whether the filing is timely, the date of resubmission with the correct fee will be considered the date of filing. However, in cases where the fee payment fails due to error of the applicant's bank, as evidenced by an affidavit of an officer of the bank, the date of the original submission will be considered the date of filing.

(b) Applications or filings accompanied by insufficient fees or no fees

which are inadvertently forwarded to Commission staff for substantive review will be billed for the amount due if the discrepancy is not discovered until after 30 calendar days from the receipt of the application or filing at the Commission. A penalty charge of 25 percent of the amount due will be added to each bill. Any Commission actions taken prior to timely payment of this bill are contingent and subject to rescission.

(c) Applicants to whom a deferral of payment is granted under the terms of this subsection will be billed for the amount due plus a charge equalling 25 percent of the amount due. Any Commission actions taken prior to timely payment of these charges are contingent and subject to rescission.

**§ 1.1117 Petitions and applications for review.**

(a) The fees established by this subpart may be waived or deferred in specific instances where good cause is shown and where waiver or deferral of the fee would promote the public interest.

(b) Requests for waivers or deferrals will only be considered when received from applicants acting in respect to their own applications. Requests for waivers or deferrals of entire classes of services will not be considered.

(c) Petitions for waivers, deferrals, fee determinations reconsideration and applications. For review will be acted upon by the Managing Director. Petitions and applications for review submitted with a fee must be submitted to the Commission's lockbox bank at the address for the appropriate service set forth in §§ 1.1102 through 1.1107. If no fee payment is required, and the matter is within the scope of the fee rules in this subpart, the petition or application for review should be filed with the Commission's Secretary and clearly marked to the attention of the Managing Director. Requests for deferral of a fee payment for financial hardship must be accompanied by supporting documentation.
